

Providing Recreational
Opportunities for Fun, Health
and Education.

Winnebago Park District Office is Closed until Further Notice

The Winnebago Park District office will be closed until further notice. Please email us at info@winnebagoparkdistrict.org, leave a FB message or contact Michelle at 815.914.7882

The Sports Park will remain open but the Dylan Mastroianni Playground will be closed per Illinois Parks Department Section 5 of COVID-19 order. Thank you for your cooperation.

All WPD Events and Programs will be on hold until further notice. If you have signed up for the Easter Race you will be issued a refund this week.

Spring Soccer and Running Club are on hold as well. We will not be issuing refunds until we hear more information concerning the "Stay at Home" order.

All Adult Fitness Classes are on hold as well. We will still hold the classes as soon as we are able. We will not be issuing refunds until we hear more information.

The Winnebago Park District is taking steps to make sure we can continue to serve the Winnebago Community and surrounding areas as well as maintain the health and safety of our staff and participants. The Winnebago Park District will be suspending all programs and events effective immediately through at least April 7, 2020. This includes Running Club, Spring Soccer and Adult Fitness classes. We will keep you updated if the suspension is extended. If you have already registered for a program, we will hold your registration until a decision is made regarding the program or event. Programs may be cancelled, or deadlines extended so please check the Website and Facebook. We will post updates as well as send out information in Constant Contacts. The Easter Race has been cancelled. The Egg Hunt will be on hold with a make up date to follow.

The Winnebago County Health Department has made a recommendation to suspend social and public gatherings out of an abundance of caution for the community and to mitigate the spread of COVID-19. The Winnebago Park District is supporting guidelines and recommendations made by the Center for Disease Control (CDC), Illinois Department of Public Health (IDPH), and Winnebago County Health Department (WCHD), and will continue to do so until this health emergency subsides.

If you need immediate assistance please contact Michelle at 815.914.7882.

Thank you for your understanding,

Winnebago Park District Board and Staff

More information or to register visit www.winnebagoparkdistrict.org or stop by the office to fill out a registration form at 301 N. Church St., Winnebago. Sports Park is located behind the WHS Football Field.
