BUY A BRICK PROGRAM

BUY A BRICK PROGRAM

You can be part of an exciting new project at the Winnebago Sports Park. A brick path will be installed from the restrooms to the pavilion and residents and businesses will have the opportunity to leave a lasting legacy. Purchase a brick in honor or memory of a loved one, recognize someone special, mark a special event, celebrate a team, or promote an organization or business. Only a limited number of bricks will be installed in phases throughout the year. Due to the nature of the design, brick placement is random, and preferences cannot be accommodated.

Proceeds benefit the Friends of Winnebago Park District, a 501c3 organization, which supports programs and activities provided by the Winnebago Park District.
