- Director's Report
 - The park shelter house needs repair. Claim has been filed. Waiting for a quote.
 - Quote for kiosk and sign
 - Girl Scouts project to help with soccer 3v3 and raise funds to repair signs/kiosk
 - Boy Scout project with raised garden beds.
 - Shirt sponsorship program. Foresight Bank is sponsoring Tball and fall soccer (approx \$875 in sponsorship)
 - Hired Campbell Warden to help out this summer. 10-15 hrs/week. I anticipate Rudy cutting back on some hours which will help offset staffing expense
 - Camp enrollment is low. Coach pitch is low
 - Hired 3 camp counselors (10-15 hours each, rotating a day off to stay within budget). This will help us be prepared next year when our seasoned counselors aren't with us
 - Coach has confirmed running softball camp. Will split proceeds with him instead of the former trade of service, as he is not renting fields this year.
 - School IGA meeting 4/17/26
 - PDF accessibility laws (will send meeting deck/video)

 - Meeting with village IGA - Pay \$30/night when using lights (16 in April = \$480). Maybe we can renegotiate this if we get approved for new lights.
 - New lighting on courts - waiting on ComEd
 - New lighting at Hurd Yung (\$40-50K in incentives)
 - Adding pball lines on existing tennis court. Quote - \$1300 (would like input)
 - Bathrooms open - had leak fixed by Chad and Jimmy
 - Topsoil, hay and grass seed to plant around bathrooms - \$350 plus seed
 - We did not get the \$1000 camp grant this year. They are focusing on a health aspect and there wasn't enough of that included in Emma's application. She and I will work on building a curriculum this summer to give us better leverage next year. I will apply next year.
