- Director's Report:
    - -The pavilion has been repaired. Invoice was $5235.
    - -Toro mower has needed a lot of servicing and Steve Lovett suggests we replace it soon.
    - -First two Jr Tackle weekends have gone well. Per the IGA,
    - -We tested out the survey function of CP. Sent out to flag football participants.
    - -I've asked the school to consider paying for turf treatment of the soccer practice field so that the park can put some money into the U9 field. No response to date.
    - -Derek asked me to rope off the soccer field so football teams don't use it for warm ups.
    - -Saturday in the Park for our soccer host date of September 26th. 9 vendors.
    - -We are sending communication out to schools regarding upcoming events and also volunteer hours for HS students (running AS clock, helping with concessions, etc).
    - -Hiring McKenna Varga to help with bball this winter.
    - -Met with Village to discuss Hurd Young field. They proposed we pay them when they are called out after hours due to overflowing toilets, etc. They pay time and a half for two hours and will let us know what that would be.
    - -HS is short staffed so we've been helping out with mowing the fields along McNair.
    - -Carter Anderson is helping with the field painting when he's available for the rest of the season to help cover some gaps.
    - -K/1 bball registration is open. 2nd/3d will open next week.
    - -A parent has suggested we move our 5th and 6th grade bball to the NW league. This would mean only our 4th graders would participate in Art Sadtler because NW doesn't have a 4th grade division. I'm waiting on more info from the NW league coordinator. We will continue the co-op with Pec for 2nd/3rd.
